Guess How Much I Love You by Sam Mc Bratney

(to be used alongside the book)

Adapted for the Story Massage Programme

www.storymassage.co.uk

 ©storymassage.co.uk	Little Nutbrown Hare, who was going to bed, held on tight to Big Nutbrown Hare's very long ears.
 ©storymassage.co.uk	He wanted to be sure that Big Nutbrown Hare was listening.
 ©storymassage.co.uk	"Guess how much I love you," he said. "Oh, I don't think I could guess that," said Big Nutbrown Hare.
 ©storymassage.co.uk	"This much," said Little Nutbrown Hare, stretching out his arms as wide as they could go.
 ©storymassage.co.uk	Big Nutbrown Hare had even longer arms. "But I love you this much," he said
 ©storymassage.co.uk	"Hmmm, that is a lot," thought Little Nutbrown Hare.
 ©storymassage.co.uk	"I love you as high as I can reach," said Little Nutbrown Hare.
 ©storymassage.co.uk	"I love you as high as I can reach," said Big Nutbrown Hare.
 ©storymassage.co.uk	"That is quite high," thought Little Nutbrown Hare. "I wish I had arms like that."
 ©storymassage.co.uk	Then Little Nutbrown Hare had a good idea. He tumbled upside down and reached up the tree trunk with his feet.
 ©storymassage.co.uk	"I love you all the way up to my toes," he said.

	<p>“And I love you all the way up to your toes,” said Big Nutbrown Hare, swinging him up over his head.</p>
	<p>“I love you as high as I can hop!” laughed Little Nutbrown Hare, bouncing up and down.</p>
	<p>“But I love you as high as I can hop,” smiled Big Nutbrown Hare – and he hopped so high that his ears touched the branches above.</p>
	<p>“That’s good hopping,” thought Little Nutbrown Hare. “I wish I could hop like that.”</p>
	<p>“I love you all the way down the lane as far as the river,” cried Little Nutbrown Hare.</p>
	<p>“I love you across the river and over the hills,” said Big Nutbrown Hare.</p>
	<p>“That’s very far,” thought Little Nutbrown Hare. He was almost too sleepy to think anymore.</p> <p>Then he looked beyond the thorn bushes, out into the big dark night. Nothing could be further than the sky.</p>
	<p>“I love you right up to the moon,” he said, and closed his eyes.</p> <p>“Oh, that’s far,” said Big Nutbrown Hare</p>
	<p>“That is very, very far.” Big Nutbrown Hare settled Little Nutbrown Hare into his bed of leaves.</p>
	<p>He leaned over and kissed him goodnight.</p>
	<p>Then he lay down close by and whispered with a smile. “I love you right up to the moon – and back.”</p>

Doug the Dinosaur

Adapted for the Story Massage Programme by Holly Elliott

www.storymassage.co.uk

	In a forgotten land where the grass was always green, and the trees were always tall
	Lived a dinosaur named Doug. Doug had very big and very ticklish feet!
	Doug couldn't go anywhere in the forgotten land without his super stretchy shoes. That helped stop his humongous feet from being tickled.
	One day Doug walked down for his morning wash at the lake.
	Doug took his super stretchy shoes off and placed them very carefully onto a slippery rock.
	SPLASH! In jumped Doug. He washed quickly as he had a busy day of adventures ahead.
	Doug scrambled up onto the slippery rock.
	'OH NO!' he cried as he clumsily knocked his super stretchy shoes into the quick flowing water below.
	Doug knew he would have to find his super stretchy shoes, or else he would be stuck having tickly feet forever.

	<p>First, Doug walked carefully around and around and around the crumbling crater.</p>
	<p>Then he marched up a monstrous mountain and down the other side.</p>
	<p>When he reached the bottom, he swam through a smelly, sticky swamp.</p>
	<p>And finally, he clambered up a tree. Doug still couldn't see his super stretchy shoes.</p>
	<p>Doug became very, very sad.</p>
	<p>Just when Doug gave up hope, along hopped a little bird who had seen his super stretchy shoes downstream.</p>
	<p>Doug thanked his new friend and as quick as a flash Doug slid down the tree.</p>
	<p>Doug danced with excitement. He walked very quickly, laughing all the way as the green grass tickled his gigantic toes.</p>
	<p>Eventually Doug found his super stretchy shoes and placed them back on his ginormous feet.</p>
	<p>Doug decided then that he had had enough adventures for one day.</p>

	But what did they eat?
	Some ate meat, they were carnivores. Some are plants, they were herbivores. And some ate both, they were omnivores.
	And some ate each other – aaaaaaaaggghhh!

 ©storymassage.co.uk	A long time ago when the world was young And the story of people had just begun,
 ©storymassage.co.uk	All they could do was walk and to run.
 ©storymassage.co.uk	But as the years went on and the years went past They yearned to travel further and they yearned to travel fast.
 ©storymassage.co.uk	They jumped on some horses and they learnt to ride They galloped away, side by side.
 ©storymassage.co.uk	The world was so big, and the seas were so wide They built boats and sailed away on the tide.
 ©storymassage.co.uk	They travelled far, far away to foreign parts To make it easier they invented wheels and carts.
 ©storymassage.co.uk	Travelling great distances over fields and plains Chugging along came the first mighty steam trains.
 ©storymassage.co.uk	Next came the car which travelled so far Bumping along on roads made of tar.
 ©storymassage.co.uk	The armoured tank was a sad mistake A vehicle of war, of sorrow and hate.
 ©storymassage.co.uk	They travelled the land and the sea but wanted to fly. Sure enough, the first aeroplanes began to fly.

 <p>©storymessage.co.uk</p>	<p>The trains, planes and cars got bigger and faster But there was one more place people had left to master.</p>
 <p>©storymessage.co.uk</p>	<p>10, 9, 8, 7, 6, 5, 4, 3, 2,1....</p>
 <p>©storymessage.co.uk</p>	<p>The rockets blasted off Our mission into space had just begun!</p>

Weather Story Massage

Adapted for the Story Massage Programme

	The warm sun rises in the sky
	And the sun rays reach out to touch all parts of the world.
	But look, clouds appear and cover the sun.
	Then comes the wind and it blows harder and harder.
	Then comes the rain and it rains harder and harder.
	And everyone jumps in the puddles. Splish, splash, splosh.
	A rainbow appears in the sky.
	It feels cold and everyone shivers.
	The snow comes and everything is white and beautiful.
	Everything is still and quiet.
	Then the sun shines and melts the snow.
	Everyone feels warm and happy.

	The sun is getting sleepy.
	Teddy waves goodnight.
	The stars come out and twinkle.
	Teddy walks up the sleepy stairs.
	Time for a bubbly bath!
	Let's get Teddy dried.
	Now let's brush Teddy's hair
	And clean Teddy's teeth.
	Teddy puts his warm pyjamas on.
	And snuggles into his cosy bed.
	Goodnight sleepy Teddy. Good night.

Worried Feelings (for younger classes)

Written for the Story Massage Programme by Una Curran

	You have an amazing mind and body that work together to keep you healthy.
	Your mind is always busy having lots of different thoughts every day.
	Some thoughts can make us feel happy and excited.
	Some thoughts can make us feel nervous or worried.
	If you feel worried you could try to take a few deep breaths in and out.
	If you feel worried you could try drawing, playing with your favourite toy or having a run outside. That might help.
	If your worry won't go away you can tell your parents, teacher or SNA or another adult that you trust. They can try to help you.
	Remember you have a strong mind. You are fabulous and amazing just as you are.

Worried Feelings (older classes)

	<p>You have a unique mind and body that work together to keep you healthy.</p>
	<p>Half of the time our thoughts and mind are calm and in the present moment. But in the other half, our minds are jumping to the past or the future.</p>
	<p>Some thoughts might be about our school work or what game to play.</p>
	<p>Some thoughts will give us a happy feeling.</p>
	<p>Some thoughts can make us feel nervous or worried.</p>
	<p>If you feel worried you could try to take a few long deep breaths in and out.</p>
	<p>If you feel worried you could try being creative by writing or drawing your thoughts. Or you might need to move and be active outside.</p>
	<p>If your worried thoughts won't go away you can tell your parents, teachers, SNA or an adult you trust and they can try to help you. Your worried thoughts are not stuck in your mind.</p>
	<p>Always remember you have an amazing mind. Look in the mirror and say to yourself: I am safe, I am strong, I am confident.</p>

The Smiling Flowers

Written for the Story Massage Programme

www.storymassage.co.uk

 ©storymassage.co.uk	The round sun rises in the sky
 ©storymassage.co.uk	And flowers grow – one, two, three.
 ©storymassage.co.uk	But one little flower is very tired.
 ©storymassage.co.uk	So, the sun brings rays of light and hope.
 ©storymassage.co.uk	And the wind sings songs of courage.
 ©storymassage.co.uk	And the rain sprinkles the little flower with strength.
 ©storymassage.co.uk	Every night the moon watches over the little flower
 ©storymassage.co.uk	And the stars twinkle brightly in the darkness
 ©storymassage.co.uk	So the little flowers can sleep very peacefully.
 ©storymassage.co.uk	Slowly the little flower grows taller and taller

	<p>And the little flower grows stronger and stronger.</p>
	<p>Its buds burst into bright colours.</p>
	<p>It grows and grows in a field of colourful flowers.</p>
	<p>And if you stop and look very carefully</p>
	<p>You can see that all the flowers are smiling. Let's all smile with the flowers.</p>

Smiling is Infectious by Spike Milligan

Adapted for the Story Massage Programme

www.storymassage.co.uk

	Smiling is infectious. You catch it like the flu.
	When someone smiled at me today. I started smiling too.
	I walked around the corner And someone saw me grin.
	When he smiled, I realised I had passed it on to him.
	I thought about the smile And then realised its worth.
	A single smile like mine Could travel around the earth.
	So, if you feel a smile begin Don't leave it undetected.
	Start an epidemic And get the world infected.
